**SENATE BILL**

**No. 604**

**Introduced by Senator Anderson**

February 22, 2013

---

An act to amend Section 22520.5 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

SB 604, as amended, Anderson. Vehicles: rules of the road.

Existing law prohibits a person from soliciting, displaying, selling, offering for sale, or otherwise vending or attempting to vend any merchandise or service while being wholly or partly within any of specified places, including, but not limited to, the right-of-way of any freeway, including any on ramp, off ramp, or roadway shoulder which lies within the right-of-way of the freeway, or any roadway or adjacent shoulder within 500 feet of a freeway off ramp or on ramp. A violation of these provisions constitutes an infraction. *Existing law also permits a charity, as defined, to engage in a solicitation for charitable purposes that involves persons standing in a public roadway soliciting contributions from passing motorists, if the persons to be engaged in the solicitation are law enforcement personnel, firefighters, or other specified persons who are soliciting solely in an area that is within the service area of that local agency, and the charity files an application with the relevant jurisdiction, as specified.*

This bill would ~~also~~ prohibit a person from soliciting, displaying, selling, offering for sale, or otherwise vending or attempting to vend any merchandise or service while being wholly or partly within an intersection controlled by a traffic control signal. *This bill would except from the prohibition, a charity engaged in solicitation for charitable*

*purposes if the persons soliciting are law enforcement personnel, firefighters, or other persons, as specified.*

Because this bill expands the definition of an existing crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

5 the Government Code, or changes the definition of a crime within
